

You are invited..

Southern Construction Framework Annual Event -

“Stability in uncertain times”

Please accept this invitation to our first of a series of SCF Framework focused discussions starting at Exeter Racecourse, Kennford, Exeter.

The event is an opportunity for you to meet other key framework stakeholders and the contractors. The event will be chaired by Mairi Johnson who is an authority on the design and use of education facilities.

Aims and focus of the day:

- Integrated teams, social value, supply chain
- Adopt a school
- Measuring for success
- Brexit and living with uncertainty
- Table discussions
